Re: Thank you!

Dear Robert

On behalf of myself and all of my team I would like to extend a heartfelt thank you to you and your group A Different Approach Community (ADAC) for your tireless work in support of my climate change bills. From mailing letters every month to all parliamentarians in support of the bills, to gaining the endorsement of 36 climate groups and most recently for your amazing Mass Mailout for Climate letter campaign your group have shown incredible initiative and passion for climate action.

We cannot thank you enough for rallying behind the bills and climate action more generally and wish you all the very best with your next endeavours.

Kindest regards,

Zali Steggall OAM, MP
